sesame oil	produced in Japan		
cornstarch	produced in Japan		
Product Characteristics	Use Scenes (Usage · Recipes)		
The industry's first Chinese dressing using JABARA has been created! The richness of sesame oil and the acidity of JABARA make a perfect match! Not only for salads, but also for dumplings and fried foods. The refreshing sourness stimulates the appetite and makes the dressing refreshing even in hot summer.	When poured over salads, dumplings, fried foods, shabu-shabu, noodles, etc., the acidity of JABARA and the richness of sesame oil enhance the ingredients. This is a versatile seasoning that can add an accent to a variety of dishes with just one bottle.
